

CHILD SAFETY POLICY

Children are only permitted in the studio when having a service. For safety reasons and insurance purposes at New Moon beauty studio no child under the age of 13 may accompany you while you are having a service. We love children, however, we cannot assure their safety. We work in an environment that has sharp cutting tools, chemicals, hot tools, and many more dangerous implements. If something were to happen to your child, it would not only be devastating to you and your family, it would be equally as devastating to us. We also do not want to compromise the relaxation of our guests in the studio. Should your child accompany you to your appointment, we respectfully must reschedule your appointment. Your understanding is greatly appreciated.
